- A sports pass includes all home football games for the season as well as home events for all ticketed sports in both the fall and spring semesters (Soccer, Volleyball, Men's Basketball, Women's Basketball, Baseball and Softball). SEC/NCAA postseason, special events and high school events hosted by Texas A&M are not included.
- Sports passes are only valid for currently enrolled, registered students at Texas A&M.

SPORTS PASS PRICING

Sports Pass \$400
 Sports Card Replacement Fee \$20

SPORTS CARDS FOR FOOTBALL TICKET PULL

Students who purchase a sports pass receive a sports card that is valid throughout their career at Texas A&M if a new sports pass is purchased each year.

- Sports cards may be picked up Monday through Friday between the hours of 8 a.m. to 5 p.m. at the ticket windows located at the north end of Kyle Field near Entry 6.
- During ticket pull week, sports pass pick up will be located at the Kyle Field east ticket windows near Entry 9.
- Sports cards are used for football ticket pull only. Students must present their valid, legible Texas A&M student ID for admission into all ticketed events.

STUDENT TICKETS FOR HOME FOOTBALL GAMES

Sports pass holders will present their sports card at the student ticket windows on their assigned pull day to receive a reserved student ticket.

- At the same time, sports pass holders have the option to purchase one (1) guest ticket at full price, if available.

GUEST TICKETS FOR HOME FOOTBALL GAMES

Guest tickets are for attendees who wish to stand in the student section. Students may only purchase one (1) guest ticket each home game week if available. These tickets may be obtained one of two ways:

1. Buy a full price guest ticket (which includes a label).
2. Convert a student ticket by purchasing a guest label (half the price of a guest ticket)

GUEST TICKET AVAILABILITY

Availability of guest tickets varies for each game.

- Student tickets may be converted to guest tickets at any time during the week (including on gameday).
- Ticket and payment must be presented together at the time of conversion.

FOOTBALL TICKET ALLOCATION

Students can choose first, second or third deck at ticket pull, based on availability.

- Seats are then selected randomly from remaining inventory.
- Once tickets have been pulled, no exchanges are allowed.
- All tickets are final and cannot be exchanged for more seats together if a group request changes.

FOOTBALL TICKET PULL

Ticket pull begins the Monday morning of each home game week. Texas A&M students with a valid sports pass will pull tickets according to academic classification.

- Classification is based on number of hours completed or years completed at Texas A&M, whichever gives the highest priority.
- Students with a sports pass are guaranteed a ticket until the conclusion of freshmen day during a home game pull.
- Students without a sports pass (walk-up) may purchase a ticket on Friday or gameday, if available, by presenting their valid, legible student ID at the ticket window. Walk-up tickets, when available, cost approximately half the face value of student guest tickets.

NOTE: Yardline locations are approximate.

REFUNDS

Refunds are only available to students who do not enroll or who withdraw from the university during the fall semester.

- Students that need to change or drop their sports pass may do so through the HOWDY portal through Aug. 22.
- Sports passes are not automatically removed upon withdrawal. This includes students who have not yet picked up their sports card.
- The deadline to request a refund is prior to the last home football game.
- If a student withdraws from the university during the fall semester, a prorated refund based on the refund request date, withdrawal date and the remaining games' ticket prices will determine the refund amount.
- Students who withdraw or graduate after the season is completed will not receive a refund. The all sports portion is not eligible for a refund.
- If a student inadvertently selects multiple passes, a full refund will be issued for the duplicate pass. Students should contact the 12th Man Ticket Center at 888-992-4443.

RESALE OF STUDENT TICKETS IS PROHIBITED

Student sports passes are heavily subsidized by season ticket holders. Former students and Aggie fans have long been committed to maintaining the quality and size of the student allotment at Kyle Field. In return, Texas A&M students – the 12th Man – are expected to honor this commitment by not reselling their student tickets for profit.

- These tickets (home and away) are for student use only.
- Texas A&M students are prohibited from reselling sports passes and student tickets (home or road) for profit.
- Students found to be in violation of this policy will be penalized.
- Penalties include the cancellation of sports passes, cancellation of tickets already pulled and the loss of sports pass privileges for the duration of their Texas A&M career.
